

RACHEAL MACLEOD CHRISTMAS BASKET PROJECT

PO BOX 33019
JUNEAU, AK 99803

November 20, 2007

Dear Friend,

Last year The Racheal MacLeod Christmas Project was able to put together over 200 food boxes for our friends and neighbors. I hope that we will be able to increase that number this year with your continued help.

This year the Capital City Rotaract Club is taking the lead role in the organization of this project. The Rotaract Club is a Rotary-sponsored service club for young men and women ages 18 to 30. Food boxes will be made and delivered to these agencies: Salvation Army, St. Vincent de Paul's, The Glory Hole, and Catholic Community Services. Those agencies will then distribute the boxes to the needy during the Christmas season.

Each food box cost approximately \$50 to put together. Any donation you can provide would be greatly appreciated. Your donation is also tax deductible. Checks can be made payable to Racheal MacLeod Christmas Project. Please send your donations to Racheal MacLeod, PO Box 33019, Juneau, AK 99803.

We are also asking for any Super Bear Price Smashers that you can donate as this really makes our money go so much further. They can either be mailed to Racheal at the above address or they can be dropped off at the Jordan Creek Center. There is a drop box that is located in the main entrance, next to Copy Works.

We thank you in advance for your help and please share this information with friends, relatives, and co-workers who would like to donate. You may contact Marc Guevarra, at 907-321-2261 for further information. Again, thank you for your support.

Sincerely,

Marc Guevarra
Capital City Rotaract
